*A make-up event is scheduled for February 26 at the Phillis Wheatley Library from 5 to 8PM.  
Students can also get FAFSA help at **College Goal Sunday** on February 8 from 1-3 at East High School.  
For more info or to volunteer for that event, contact [toni.greenlee@rochestergeneral.org](mailto:toni.greenlee@rochestergeneral.org).*

### **Financial Aid Volunteers**

Financial aid volunteers will be working with students and families to complete their FAFSA forms in a computer lab. These volunteers should have knowledge of filling out the FAFSA and should understand the financial aid process. We are seeking at least one volunteer per session with extensive FAFSA experience to troubleshoot any potential problems.

### **Registration Volunteers**

Registration volunteers will help welcome families and explain the process as well as gather any preliminary information we may need from them.

### **Other Volunteers**

Other volunteers will be needed to help monitor refreshments, assist families with any questions they may have, provide any translation support, and make sure that things run smoothly. Other volunteers we will need will depend on the services we elect to provide such as college admissions information, scholarship information, etc. Please contact us with questions or suggestions!

#### **For more information or to volunteer, please contact:**
