

Eastman School of Music chapter of the National Association for Music Education and Rochester Education Foundation Instrument Drive for Rochester city students: February through March 31, 2012.

Donations for the instrument drive can include any orchestra or band instruments that are in playable condition, as well as spare cases, bows, and accessories. Several drop-off locations are located across the community.

In March, which is “Music in Our Schools Months,” Eastman School of Music students will present two concerts to help raise cash donations for the purchase of instrument supplies. Performers include soprano Sarah Toca; trombonist Matt Norman; and Sound Exchange, a new student-run orchestra that explores alternative ways of presenting classical music. The concerts will be held on Saturday, Mar. 3, at 3 p.m., with Toca and Norman at Reformation Lutheran Church, 111 North Chestnut St; and Saturday, Mar. 31, at 3 p.m., with Sound Exchange at Lutheran Church of the Incarnate Word. Admission is free; donations of \$10 are suggested.

Donations of instruments and accessories can be dropped off at the following secure locations; please call locations for hours:
